

FAGERHULT

Information for suppliers. Fagerhult Belysning AB transition to e-invoicing November 26, 2020

Information regarding transition to e-invoicing via Peppol and Interconnect for suppliers to Fagerhult Belysning AB

For a faster, more efficient, and more secure handling of invoices, we have decided to transfer our management of supplier invoices to electronic handling only. In order to send electronic invoices, you must have an agreement with an e-invoice operator. If you do not currently have the capability to send e-invoices, please feel free to contact Logiq and we will help you find a solution.

From the 26th of November 2020 it will be possible to send electronic invoices to Fagerhults Belysning AB. We still have the possibility to receive invoices in PDF-format to levfaktura.fbab@fagerhult.se, but we intend to accept e-invoices only from the 1st of June 2021.

STEP 1	STEP 2
Inform your e-invoice operator (VAN supplier) that you wish to send e-invoices to Fagerhults Belysning AB.	Start sending e-invoices according to the content requirements described below. <i>Please check that your first invoice has been received by Fagerhults Belysning AB.</i>

General requirements

In order for us to process your e-invoice, one of the requirements below must be met.

The invoice must contain our order number:

- Order number: 4-8 digits (numerical characters)

In the absence of an order number, we will need:

- Our reference: Containing first and last name
- Project number (if it has been specified)
