

Information for suppliers

Datema Mobility AB transition to e-invoicing

Information regarding transition to e-invoicing via Peppol and Interconnect for suppliers to Datema Mobility AB

For a faster, more efficient, and more secure handling of invoices, we have decided to transfer our management of supplier invoices to electronic handling only.

In order to send electronic invoices, you must have an agreement with an e-invoice operator. If you do not currently have the capability to send e-invoices, please feel free to contact Logiq and we will help you find a solution.

We would like to ask you to send your invoices as e-invoices in the future. In a transition period and in exceptional cases, we also accept invoices in PDF, it is important then that they are sent to our invoice email;

invoice@datema.se

In the future, we will not accept paper invoices, but these will be returned to the sender with a request to send an e-invoice instead.

STEP 1	STEP 2
Inform your e-invoice operator (VAN supplier) that you wish to send e-invoices to Datema Mobility AB.	Start sending e-invoices according to the content requirements described below. Please check that your first invoice run has been received by us.

General requirements:

In order for us to process your e-invoice, one of the requirements below must be met.

The invoice must contain Datema's order number:

- Order number: 7XXXXX

In absence of order number above, information on reference must be available:

- Reference to who has ordered or to whom the invoice is intended.

E-invoicing via the Peppol network or EDI-operator

- Datema Mobility AB is connected to Peppol and would like you to primarily send your invoices that way.
- E- invoice can also be sent via your EDI- operator
- Any attachment must be sent in PDF- format.
