Denmark	38.000	38.000
Finland	6.000	7.500
Globaly	600.000+	800.000

Developments globaly

- The EU continues to be the most important market for Peppol.
- 2023 is expected to be the year when Peppol gets its real "launch phase" in Asia, with Japan as the biggest driver.
- US version of PINT under development.
- Peppol continues to promote its network and PINT in the Middle East, Africa and Latin America.
- Continued steady growth in membership.
 - 497 → 530 members
 - 40 → 43 countries represented
 - 18 → 20 Peppol authorities

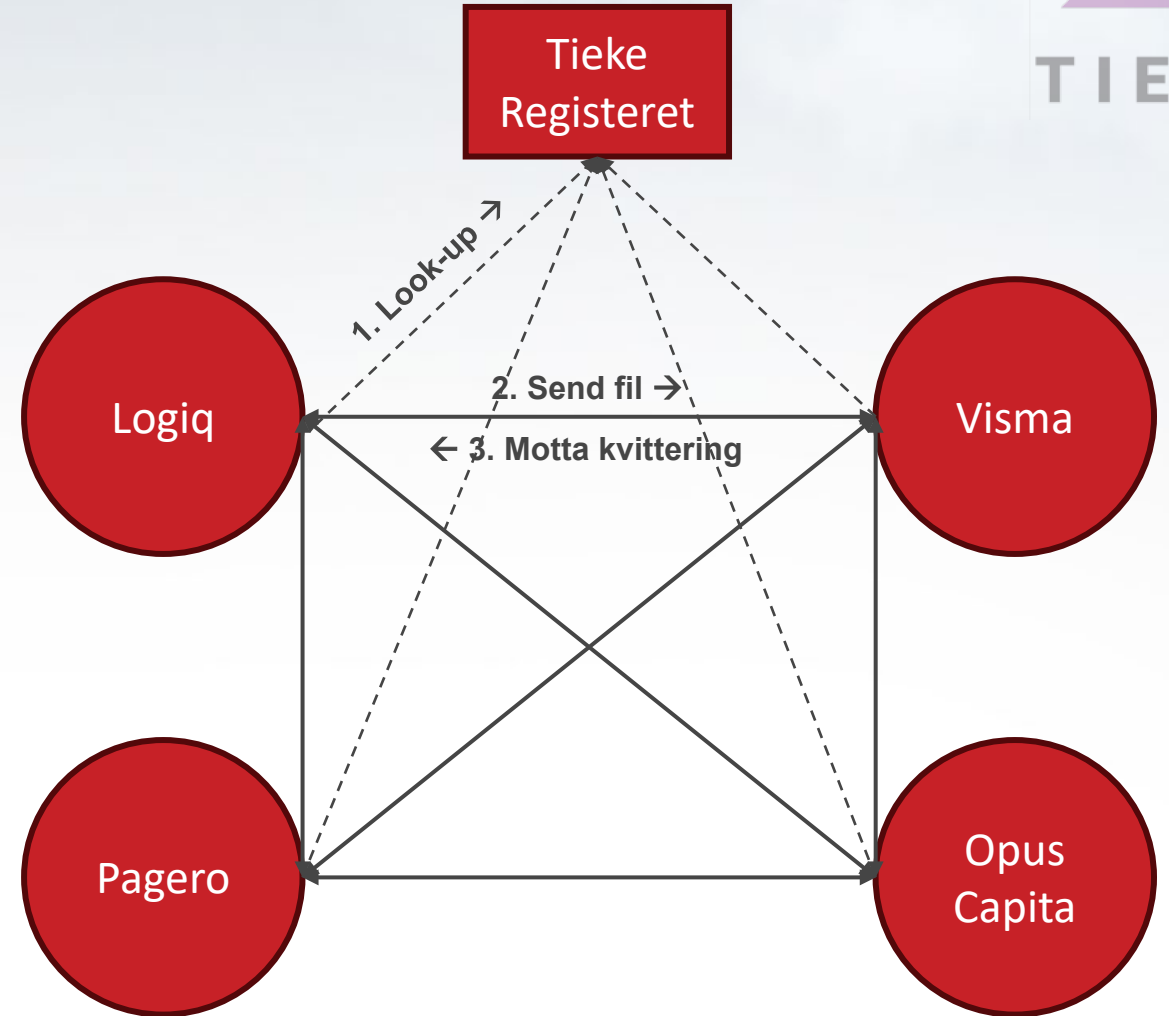

Logiq becomes part of Tieke

- 30+ operators
- 310.000+ registered addresses
- What this means for your customers:
 - Less likely to experience errors and delays
 - Easier, and thus faster, support
 - Better overview and control in Logiq customer portal
