

Information for suppliers

Filial of Askalon AB, Sverige transition to e-invoicing

Information regarding transition to e-invoicing via Peppol and Interconnect for suppliers to Filial of Askalon AB, Sverige CVR10162319.

For a faster, more efficient, and more secure handling of invoices, we have decided to transfer our management of supplier invoices to electronic handling only. In order to send electronic invoices, you must have an agreement with an e-invoice operator. If you do not currently have the capability to send e-invoices, please feel free to contact Logiq and we will help you find a solution.

Filial of Askalon AB, Sverige is able to receive electronic invoices from 01.03.2024.

If you do not have the opportunity to send e-invoices, PDF will be received via:
invoice@askalon.dk

STEP 1	STEP 2
Inform your e-invoice operator (VAN supplier) that you wish to send e-invoices to Askalon AB.	Start sending e-invoices according to the content requirements described below.

General requirements:

In order for us to process your e-invoice, one of the requirements below must be met.

The invoice must contain our purchase order (PO) number:

- If you have received a purchase order (PO), the PO number must be entered in the field for order number (7 digits – only digits in this field)

In absence of PO number above, information on reference must be available:

- The invoice must contain the Customers first and last name.

E-invoicing via the Peppol network or EDI-operator

- Filial of Askalon AB, Sverige is connected to Peppol and would like you to primarily send your invoices that way.
- E- invoice can also be sent via your EDI- operator
- Any attachment must be sent in PDF- format.
