

## Information regarding transition to electronic invoicing via Peppol and Interconnect for suppliers to 4C Strategies AB

For a faster, more efficient, and more secure handling of invoices, we have decided to accept only electronic invoices from our suppliers. To be able to send electronic invoices, you must have an agreement with an e-invoice/EDI provider. If you do not currently have the capability to send electronic invoices, please feel free to contact our provider Logiq, and they will help you find a solution.

STEP 1	STEP 2
Inform your e-invoice/EDI provider that you shall now send electronic invoices to 4C Strategies AB.	Start sending electronic invoices according to the content requirements described below.

### General requirements:

In order for us to process your electronic invoice, the requirements below must be met.

- The invoice must contain information about reference (first and last name or project code). This is provided by the order contact.

### Electronic invoicing via the Peppol network or EDI-provider

- 4C Strategies AB is connected to Peppol and would like you to primarily send your invoices that way.
- Electronic invoices can also be sent through Logiq via your EDI-provider, but this requires further implementation. Contact 4C Strategies AB in this case.
- Any attachment must be sent in PDF- format.
